# **GOD MADE EVERYTHING**

*Genesis 1&2*

In the beginning,  
God made the light.  
The light was for day,  
The dark was for night.

God made the sky,  
And God made the sea.  
He made every plant  
And flower and tree.

Then he made animals—  
Oh, what fun!  
God must have smiled  
When he made each one!

God made a man  
And a woman too.  
Then God rested  
Because he was through.

## THE FLOATING ZOO

*Genesis 6–9*

God told Noah  
To build a boat,  
So Noah is making  
A boat that will float.

Down comes the rain,  
And up goes the boat.  
Noah is glad  
To see it can float!
